Staring- through halfway open eyes  
Fantasies- of my own demise  
Always- on the outskirts of my mind  
Never knowing why

Pushing you away 'cause away is all I know  
and the pleasure is outweighed by the pain  
And no matter how much we grow  
I'm always struggling to change

And everyday- it's like a game  
Will I make it through?  
I've been down to the bottom  
Bashed my head o the top  
I've seen it's effect on you  
Everyday- it's like a game  
Will I make it through?  
I'm waiting for the sun  
Basking in the storm  
Will I make it through?

Constantly- hanging by a thread  
Wanting- nothing more than dead  
Have you ever felt this way?

Push you away 'cause the wall, it keeps me safe  
from a world that stigmatizes me  
and constantly slaps me in the face  
Have you ever felt this way?  
Everyday is like a game  
Will I make it through?  
A daily pill to balance me out  
Is that not punk enough for you?  
Everyday is the same  
Trying to resist despair  
To those of you who feel the same  
Please know I'm here  
and that I care

You are not alone. [x2]

Everyday- is like a game

Will I make it through?  
I'm waiting for the sun  
Basking in the storm  
Will I make it through?

Everyday- is the same  
Trying to resist despair  
To those of you who feel the same  
Please know I'm here  
and that I care
