Put me down for my convections just because I fucking
care- Afraid to
show your true feelings- Your negativity lingers in the
air- Jump on
the bandwagon- And hide the truth- Fear the inevitable-
I see right
through you- Your mindless identity is worn on your
sleeve- Stop
lying to yourself- You have no individuality- Apathetic
attitude
proves your a coward- Continue to talk shit, think you
gain power?-
The truth of the matter is your front is a crutch- Your
overbearing
vulnerability is becoming too much- I no longer
condone your
undermining ways- Your existence gives me fuel for
the rest of my
days- Your front is a crutch!!!
