Inside The Veils of Madness  
All My Blood Drifts Ashore  
On Descending Fires  
Dark star Shine Again  
Behold the Midnight Sun  
Draw a Hole in My soul  
Torches Lead the Way  
A new dawn will Prevail

Forever Bound In Pain  
My Loving Angel  
Together In Bloody Embrace  
Eternal Suffering

Inside me you're Divine  
The Highest and the One  
Wounds so fresh and Scars so Old  
Devoted to You  
Angel in Pain  
Inside Myself you're Divine  
Angel in Pain  
The Strength and Will to Resist  
Angel in Pain  
Inside Myself you're Divine  
Angel in Pain  
Devoted to You  
Angel in Pain

So Dark the Nameless Void  
Awake For The First Time  
A Lifetime Of Phantoms And Lies  
Scattered By Your Sighting  
Dance To The Sound Of Mourning  
Shiver To The Touch Of Blade  
Like a Moth Dancing To The Light  
I Surrender Myself To You  
I Deliver My Naked Soul  
Stripped Of All Disguise  
A Slave for You to Bound Forever  
Nail Me to Your Heart

The wait remains uncertain

I Become Nature's Desire  
Fear is a Silver Bullet  
A Strange Guest in my heart

Forever Bound In Pain  
My Loving Angel  
Together In Bloody Embrace  
Eternal Suffering  
Inside Myself you're Divine  
Angel in Pain  
The Strength and Will to Resist  
Angel in Pain  
Inside Myself you're Divine  
Angel in Pain  
Devoted to You  
Angel in Pain
