Lick the teeth, bloodthirst when the moon is round  
Starry night, we search our hunting ground  
On we slay - human prey  
Tearing and biting, shearing and smiting

[Chorus:]

Wearer of wolf's skin  
Wearer of wolf's skin

Silent howl, ravenous hunger deep inside  
Yellow eyes, pack mentality in disguise  
Gnashing fangs, the herd I decimate  
Paw and claw,... dig deep the dirt

[Chorus]

This hunger is mine, this hunger is mine it burns divine  
You cannot take my hunger away

This is who I am, and this is what I'll stay  
No silver bullet, nor Jesus Christ, will make it go away

Scary from the herd, stray from the word
