Satan - around the flames the troops now fly  
Hordes of death - cover the earth  
Nationwide crematory  
The feeble and meek - end of story  
Open the gates - and lacerate the sky

Wings now fly - to reap all life  
Damnation's bell - come forth... lords of Hell!

[Chorus:]  
Witchkrieg!  
Witchkrieg!

Congregations, die side by side  
In mounting heaps - rotting angel now lie

[Chorus]

Christ is now our slave... mother Mary now our whore...

[Solo: Kerry king]

[Chorus]
