In the reflection, in the reflection  
I don't know you that well but I like your energy

She is a wolf lookin' through my window  
She is a wolf lookin' through my window

You know I'm safe, my wolf, I wanna roam  
Behind this pane, behind this wall of stone  
Caught in the pull of your green-eyed glow  
I wanna feel my skin in the snow

She is a wolf lookin' through my window  
She is a wolf lookin' through my window

Caught in the pull of your green-eyed glow  
I wanna feel my skin in the snow  
You know I'm safe, my wolf, I wanna roam  
Behind this pane, behind this wall of stone

She is a wolf lookin' through my window  
She is a wolf lookin' through my window  
(She is a wolf lookin' through my window)

Ahh, ahh, ahh, ahh  
Ahh, ahh, ahh, ahh, ahh

My new love  
Howlin' in the night outside  
In the night outside

My new love  
Howlin' in the night outside  
In the moonlight

My new love  
Howlin' in the moon light  
In the moonlight

I don't know you that well but I like your energy  
(Your reflection)  
I don't know you that well but I like your energy  
(Your reflection, your reflection)

Caught in the pull of your green eyed glow

She is a wolf lookin' through my window  
(I wanna feel my skin in the snow)  
She is a wolf lookin' through my window  
(You know I'm safe, my wolf, I wanna roam)

She is a wolf lookin' through my window  
(Behind this pane, behind this wall of stone)  
She is a wolf lookin' through my window

Ahh, ahh, ahh, ahh  
Ahh, ahh, ahh, ahh, ahh
