Walking down Dayglow Vista Road
Taking a break to read the stone
The sunken grave seemed to say "we're not here
anymore"
It's like they've never been here before

And everybody's got a shine on
Walking down Dayglow Vista Road
And everybody's got a high on
Down by the old path coast

You looked so sweet, so sweet, so sweet
The sunlight filtered down on you
I'm under your thumb
I'm under your thumb
I don't want to get stuck when the storm comes

And everybody's got a shine on
Walking down Dayglow Vista Road
And everybody's got a high on
Down by the old path coast
What's a little bit of rain?

As we walk on
It comes all night
And the pathway fades away
Lost in the forest graveyard
And we're tripping the night away

And everybody's got a shine on
Walking down Dayglow Vista Road
And everybody's got a high on
Down by the old path coast

Everybody's got a shine on
Down by the, down by the...

Everybody's got a shine on
