What did you do? What did you do?
You got some heat on you. You got some heat on you.
They've been tracing all your moves

Your mark has made you his
And If you want to live let me suggest this
Get a gun and get a car
Get on 25 South to Mexico.
Find some place and lay low, just lay low

I just need to check her score
Cos' girl, you got to move

Ooooooh
Stay lonely, stay quiet, stay.
You'll keep breathing air

How did it go so wrong so fast?
A Confidence and then a money grab
Simple enough. A simple enough a plan.
It all went to shit
You're on the road
At least you got the cash
At least you got the cash

Oooooooh
Stay lonely, stay quiet, stay.
You'll keep breathing air

Ohhhhhhhhhhh
Stay lonely, stay quiet, stay.
You'll keep breathing air
Air. You'll keep breathing.

The road in front of our protagonist rising.
And you'll sleep pistol under pillow. Again. Again.
Don't bring no rats on you.

What did you do? What did you do?
You got some heat on you. You got some heat on you
They've been tracing all your moves.

What did you do? What did you do?
You got some heat on you. You got some heat on you
What did you do? (What did you do?)
