Calls I could drop  
Shake in my pocket  
They shake like you do

Steps that you take  
Bend and they break  
They break like I do

Runnin' out of excuses  
When we know what the truth is  
I'm into you, I'm into you

When you hear this song  
You'll say you knew all along  
You're into me too, you're into me too

The love you send  
Sets me out my end  
Do you get my vibe too?

You held me on  
For so long  
With what's a lie  
And what is true

Runnin' out of excuses  
When we know what the truth is  
I'm into you, I'm into you

When you hear this song  
You'll say you knew all along  
You're into me too

Runnin' out of excuses  
When we know what the truth is  
I'm into you, I'm into you

When you hear this song  
You'll say you knew all along  
You're into me too, you're into me too

The black and white dress

Puts me into a trance  
As I memorize you

The first game of chance  
Ends in a loss  
I just lose it to you

Runnin' out of excuses  
When you know what the truth is  
I'm into you, I'm into you

When you hear this song  
You'll say you knew all along  
You're into me too, you're into me too
