Try to get some rest
Count backward from ten

You've gone too long without sleep
I know you won't rest stressed, so give up, just give up
And don't say no to pills
Ativan won't kill

You said, "My life's like a bad movie"
And I said, "It's true of all of us"
You said, you said, "I've got to wake up so fucking
early"
And I said, "Maybe the directors turned on us"

Outside the five sounds like the ocean
Relax, don't keep your eyes open
Don't look at the clock
Your brain will never stop

You said, "My life's like a bad movie"
And I said, "It's true of all of us"
You said, you said, "I've got to wake up so fucking
early"
And I said, "Maybe the directors turned on us"

Don't say no to pills
Ativan won't kill
