heaven is a ghost town
heaven is a ghost town
the pearly gates fell to the ground
the angels fell a thousand years before
there's no more
they turned off the tunnel of light
no bathing in the warmth of peace
did the lord stop paying the lease?
x3

heaven is a ghost town
yeah know, heaven is a ghost town
it's so dark at night
and since they outlawed love
it gets too cold
there's no one to hold
there's no one here
heaven is a ghost town
x5

no one's home
the lion
no message from on high came down
with no one secure enough for salvation
so no need to praise that empty crowd

heaven is a ghost town
x2

the pearly gates fell to the ground
the angels fell a thousand years before
there's no more
heaven is a ghost town
x5
