Knights
by Minus The Bear

I owe you, don't I?
A little light today
but tomorrow, oh tomorrow.
I owe you, don't I?
I know it ain't the money girl.
There never was money.

It's usually so typical.
A piece of you for a piece of me.
Its hard-coded.
A piece of you for a piece of me.

And it's alright.
Let's call it good.
A little more.
Let's make this even.

It's usually so typical.
A piece of you for a piece of me.
Its hard-coded.
A piece of you for a piece of me.

It's usually so typical.
A piece of you for a piece of me.
Its hard-coded.
A piece of you for a piece of me.

Is it really a sin
if we both come out even?
Come out even.
