She's got a couple down  
Shooting shots like with a gun  
I think she's gunna die

Go on go on go go on  
Go on go on go go on

But she stands and starts to dance  
But she can't dance  
Yeah it's alright

Go on go on go go on  
Go on go on go go on

Shes got on  
Some good jeans  
No ones sitting around here  
Cant but down their drinks

She danced up to me  
And took a drink  
Of my drink  
And now her man is standing up

Go on go on go go on  
Go on go on go go on

Shes got on  
Some good jeans  
No ones sitting around here  
Cant but down their drinks
