You raise your eyes to mine
Like the sunrise
Your eyes move me
Like the nightfall

How can we claim that we know ourselves?
But you can only
How can we claim that we know ourselves?
But you can only

You raise your eyes to mine
Like the sunrise
Your eyes move me
Like the nightfall

How can we claim that we know ourselves?
But you can only
How can we claim that we know ourselves?
But you can only

You raise your eyes to mine
