Hey, we gotta get out of this one man
8-9 hours more to drive
Someone has to take, take, take the wheel now man
It's my last mile, mile to drive
This is just like sailing
The caddie's hydroplaning
This is just like sailing
The caddie's hydroplaning

Ohh, on the westside
Ohh, on the westside

We'll get time to relax
We'll get some time to plan
Ohh, on the westside

The weather's been fucking with us nonstop man
This mountain road I can't navigate
With all this snow and ice, this is like a sport
And I can't participate

Ohh, on the westside
Ohh, on the westside

We'll get time to relax
We'll get some time to plan

Ohh, on the westside

We'll get time to relax
We'll get some time to plan, yeah

Ohh, on the westside
