You've got a rich dad
Who hates every boy like me
I've got no money and
Daddy don't like my ease

I wanna steal you like a pearl
I wanna just steal you like a diamond
I wanna steal you like a pearl
Just steal you like a diamond

Let me take you to
A beach in Alicante
Sleep on the strand to the
Breath of a Spaniard sea until you stray

Should I find you're not around
I would surely chase you down
Lure you in with a lonely sound
And then I'll have you

I wanna steal you like a pearl
I wanna just steal you like a diamond

Do I awake alone?
A five dollar bill and yesterday's clothes
On the floor of a room of Calle Mayor
A better man paid for

Should I find you're not around
I would surely chase you down
Lure you in with a lonely sound
Then I'll have you

You've got a real shine
Set in fool's gold, I am the fool
Your pearls are plastic
And diamonds glass and I'm alone
Now I'm alone

Should I find you're not around
I would surely chase you down
Lure you in with a lonely sound

Then I'll have you

Should I find you're not around
I would surely chase you down
Lure you in with a lonely sound
Then I'll have you
