Tonight the bay's a pane of glass, let's break it
Our bodies ache to swim so let's swim
We're drunk enough to dull the cold
Take off all the clothes, let's go

Your feet kick slow
Hands slow motion
Head back, eyes closed

You slip under for a second
You touch my leg and pull on my hand
So come on girl, no one can see this
Come on girl

Your feet kick slow
Hands slow motion
Head back, eyes closed

Now we got it
Now we got it
Now we got it
Now we got it
