=====

Reality it is a lie

The briefest dream before I die

To comprehend the cosmic scheme

See the truth behind my dream

Look out for me

Let's trip on L.S.D.

Look out for me

D.S. look out for me

Rocky's gold, leb is red

Black goes right to my head

Mushroom tea, a toke of weed

Amphetamine is real good speed

Look out for me

Come have some mushroom tea

Look out for me

D.S. look out for me

Lines of speed on a mirror face

Sniff it up through a biro case

Heroin is for the hero

It's a killer, you gotta say no

Look out for me

Let's trip on L.S.D.

Look out for me

D.S. look out for me

Turn to drugs to free my mind

Just to see what I would find

Tabs are great, now ask the drummer

Smack my friend is just a bummer
