Amperes of heavy metal advancing through the air
To burst your fucking ears, lethal voices of hell.
The orgasm of the bitch the enchantment of the witch
To envenom the atmosphere thrashing strength of the
damned

The rush of the beast is coming to kill
The volcano's blast destroying all around
Bestial machine murders the last man alive
The flaming lava burning all on the earth

The explosion touch the sky heaven is on fire
Nobody can't escape the force of the raging flames
Deadly metal spell spat from the mouth of death
'Cause this is our lethal thrashing force

The rush of the beast is coming to kill
The volcano's blast destroying all around
Bestial machine murders the last man alive
The flaming lava burning all on the earth
