I'm sorry for all the hurt i put on you
And i'm sorry for all the things i put you through
Can you forgive me when smiles turn into frowns
With a flip of a switch
Hear my voice when i say
Things will change
I promise you
I will change
Hear my voice
I know you cried a little
But nothing to leave over
I know you sighed a little
But nothing to say it's over
I know you have nothing to say it's over
Hold my hand
Never let me go
Hold my hand
And say you'll stay
Say you'll stay forever
Remember all the times we've shared
Together
I-i-i can't live without you
By my side
