- M. Carey - D. Cole -

Something that you do  
Hypnotizes me  
Sets my soul at ease  
Every time you're near me  
I'm in heaven baby

Oh oh oh

I don't know how you do it  
Never felt like this before  
I don't wanna lose it  
Give me all your love  
(More and more and more - oooh)

Something that you do  
Mesmerizes me  
Sets my body free  
Every time you touch me  
I'm in heaven baby

I don't know how you do it  
Never felt so sweet before  
I don't wanna lose it  
Give me all your love  
(More and more and more)  
Hey

I just wanna be around you  
Tell me are you feeling the same  
Oh baby  
I just wanna be around you  
Every minute of the day  
Oh I'm never gonna let you go  
Oh baby  
Baby baby baby

Every time you smile  
It captivates my mind  
And it lifts me to the sky

Anytime you touch me  
I'm in heaven baby  
(Oh oh oh)  
I don't now how you do it  
Never felt so sweet before  
I don't wanna lose it  
Give me all your love  
Allright

I just wanna be around you  
Tell me are you feeling the same  
Oh baby  
I just wanna be around you  
Every minute of the day  
Oh I'm never gonna let you go  
Oh baby  
Baby baby baby

I just want  
To be the only one you live for  
I just want  
To give you all my love  
(More and more and more)

I just wanna be around you  
Tell me are you feeling the same  
Oh baby  
I just wanna be around you  
Every minute of the day  
Oh I'm never gonna let you go  
Oh baby  
Baby baby baby

Hoo hoooo
