No one! I said no one!
I'm talkin' about no one!
I said no one!

No heart, no soul
Not working at that goal
I'm talkin' about no one
I said no one

No love, no hate
No someone to emulate
I'm talkin' about no one
I said no one

Grow old, knowing, always believing, never doubting
that there's...

No one! I said no one!
I'm talkin' about no one!
I said no one!

Not living, not dying
Life just means surviving
I'm talkin' about no one
I said no one

No cost, no gain
Not worth going insane
I'm talkin' about no one
I said no one

Grow old, knowing, always believing, never doubting
that there's...

No one! I said no one!
I'm talkin' about no one!
I said no one!

No pain, no remorse
Emptiness just a matter of course
I'm talkin' about no one
I said no one

No world, no fair
Lost hope I no longer care
I'm talkin' about no one
I said no one

Grow old, knowing, always believing, never doubting
that there's...

No one! I said no one!
I'm talkin' about no one!
I said no one!
