All these men who work the land  
Should evaluate themselves and make a stand  
Can't they see beyond the rhetoric?  
The lies and promises that don't mean shit

And all the men who learned to hate them  
And all the men who learned to hate them

They keep themselves hidden away  
They keep themselves upon the hill  
Afraid that they'll have to pay  
For all the crimes upon their head

And all the men who learned to hate them  
And all the men who learned to hate them
