the "schtik" to do for gigs. With bits and pieces of the  
working thesis, we  
jammed the "schtik" to do for gigs. We took me and D.  
Boon's and George's  
stench and put them up on stage. We'd fight at practice  
then go jam econo and  
spout the tour-spiel. I dreamt I was E. Bloom but I woke  
up E. Bloom in some  
town out on the road. With patent-leather boots on (just  
like Richard told me),  
another hack on the "Spectors" tour. Now you got your  
guitar and your practice  
amp, you travel the USA in a van and Troccoli's  
counting on some situation but  
how are you going to write the song I dreamt? And with  
the guitar turned off and  
the gas tank empty and the typewriter on but my head  
is empty and to really find  
me I've got to look inside me and cut the tour-spiel.

What's up by 4 Non-Blondes

-----

25 years of my life and still  
I'm trying to get up that great big hill  
of hope  
for a destination  
I realized quickly when I knew I should  
that the world was made up of this brotherhood of man  
for whatever that means  
so I cry sometimes when I'm lying in bed  
to get it all out what's in my head  
then I start feeling a little peculiar  
so I wake in the morning and I step  
outside I take a deep breath  
I get real high  
then I scream from the top of my lungs  
what's goin' on  
and I say hey...etc.  
and I said hey what's goin' on  
and I say hey...etc.

I said hey what's goin' on  
and I try, oh my God do I try  
I try all the time  
in this institution  
and I pray, oh my God do I pray  
I pray every single day  
for a revolution  
so I cry sometimes when I'm lyin' in bed  
to get it all out what's in my head  
then I start feeling a little peculiar  
so I wake in the morning and I step outside  
I take a deep breath then I get real high  
then I scream from the top of my lungs  
what's goin' on  
and I say hey...etc.  
and I said hey what's goin' on  
and i say hey...etc.  
i said hey what's goin' on  
and I say hey...etc.  
and I said hey what's goin' on  
and I say hey...etc.  
I said hey what's goin' on  
25 years of my life and still  
I'm tryin' to get up that great big hill of hope  
for a destination
