When I wake up in the morning, love  
And the sunlight hurts my eyes  
And something without warning, love  
Bears heavy on my mind

Then I look at you  
And the world?fs all right with me  
Just one look at you  
And I know it?fs gonna be  
A lovely day (lovely day, lovely day, . . . lovely day)

When the day that lies ahead of me  
Seems impossible to face  
When someone else instead of me  
Always seems to know the way

Then I look at you  
And the world?fs all right with me  
Just one look at you  
And I know it?fs gonna be  
A lovely day (lovely day, lovely day, . . . lovely day)

When the day that lies ahead of me  
Seems impossible to face  
And when someone else instead of me  
Always seems to know the way

Then I look at you  
And the world?fs all right with me  
Just one look at you  
And I know it?fs gonna be  
A lovely day (lovely day, lovely day, . . . lovely day)
