You could reduce me to a trivial size  
It would be too easy like snapping a twig  
I would never recover, wreaking havoc on myself

Soiled undies, nervous breakdowns  
See what you've done to me  
A stupid mistake, you yell at me and I yell at me  
Planting flowers, wearing aprons, my hair looks pretty  
with a bow  
See what you've brought me to  
Doubt, anxiety, worry, and fear

CHORUS:

See what you've done to me  
See what you've done to me  
See what you've done to me

I've been broken so many times I've lost count  
You'd think it'd make me stronger but it doesn't  
It only gets worse

Soiled undies, nervous breakdowns  
See what you've done to me  
A stupid mistake, you yell at me and I yell at me  
Planting flowers, wearing aprons, my hair looks pretty  
with a bow  
See what you've brought me to  
Doubt, anxiety, worry, and fear

CHORUS

I'm all twisted up in my head  
Stuck up there, stuck up where, stuck up there  
I can't get out

CHORUS
