Eyes that pierce right through your bones Dare to find him, ask the cops No escape 'cept 'neath your headstone His presence like a rock

CHORUS:

He is a rebel He is a dangerous man He plays with the devil You wanna sex him

Mystery oozes from every pore No use in asking how Addicted you're left always wanting more Just give in, he owns you now

CHORUS

The poison is in your veins 'Til death are you free from his grip 'Round your neck But you still want him

CHORUS
