I should've known by your voice
Not to ever trust my heart and so
I dedicate my scars to you no more
Broken heart this time I try to
Find the strength inside I
Dedicate my scars to you

No more letters from you
Yes I'm moving on
Standing on my own two feet
No more pictures of us pretending
We're in love showing off your
Diamond ring

So you lied strait
Face now I see who you are and so
I dedicate my scars to you

No more letters from you
Yes I'm moving on
Standing on my own two feet
No more pictures of us pretending
We're in love showing off your
Diamond ring

Gave you
The world you wanted more gave you
My everything I turn around and
You were gone left with this hole
Inside my heart gave you my
Everything I'm better off on my
Own

No more letters from you
Yes I'm moving on
Standing on my own two feet
No more pictures of us pretending
We're in love showing off your
Diamond ring

No more letters from you

Yes I'm moving on
Standing on my own two feet
No more pictures of us pretending
We're in love showing off your
Diamond ring
