A letter to my future self, am I still happy, I begin
Have I grown up pretty? Is daddy still a good man?
Am I still friends with Colleen? I'm sure that I'm still
laughing
Aren't I, aren't I...?

Hey there to my future-self, if you forget how to smile
I have this to tell you, remember it once in a while
Ten years ago, your past-self prayed for your
happiness
Please don't lose hope...

Oh, oh what a pair me and you, put here to feel joy not
be blue
Sad times and bad times see them through
Soon we will know if it's for real
What we both feel

(Speaking/Whisper)

Though I can't know for sure, how things worked out for
us
No matter how hard it gets, you have to realize
We weren't put on this earth to suffer and cry
We were made for being happy, so be happy
For me, for you, please...

Oh, oh what a pair me and you, put here to feel joy not
be blue
Sad times and bad times see them through
Soon we will know if it's for real
What we both feel

We were put here on this earth, put here to feel joy
We were put here on this earth, put here to feel joy
We were put here on this earth, put here to feel joy

(Whisper)

We were put here on this earth, put here to feel joy...
