

## Akira Yamaoka "When You're Gone"

Visit "[When You're Gone](#)" on MotoLyrics.com

Did I wait too long?  
Moments gone and now wasted  
Coming back to home  
It feels wrong, changes haunt me  
Ends I came before  
Leave me lost, confused, searching  
Everything I own  
Takes me back nowhere

Objects in my room  
They might be telling me something soon  
Still you ask me how I feel  
I feel lost - that's how I feel

I know, I know  
There's something I've forgotten  
Like a time, a place  
A shattered memory  
For me it's more  
Than I can seem to handle  
It's the pain, my mind  
Is writing on the wall  
The truth, you lied  
You said it can convince you to  
Give up, this place  
Will never set me free  
Enough, I know  
I really did it this time  
It's a sign, this place  
Is somewhere I should be

Taking a piece of my heart  
When you're gone

Are my eyes too blind  
To find illusions from deep inside, growing?  
What I lost to find  
And what I find brings me here

I know, I know  
There's something I've forgotten  
Like a time, a place

A shattered memory  
For me it's more  
Than I can seem to handle  
It's the pain, my mind  
Is writing on the wall  
The truth, you lied  
You said it can convince you to  
Give up, this place  
Will never set me free  
Enough, I know  
I really did it this time  
It's a sign, this place  
Is somewhere I should be

Taking a piece of my heart  
That's how it always starts  
When you're gone
