Timid, broken loner this ghost town,
And it drained the hate from his mind,
Now there's nothing left inside

Rumors, and lies, are all you've got, they're all you've
got
Mother, Father, where have you been, I needed you

What have we become, mere shadows, standing alone,
inside and out,
This incarceration is tearing me down
Oh have I become a mere shadow standing alone,
inside I cry out,
Screaming I make no sound

Screams, he finds, I'm the one who haunts her dreams.
Her life torn at the seams, I'm the one who haunts her.
