"Jolly Cup Of Tea"

Ordinance boys should check out their toys
Cos we're going for a jolly cup of tea
Cheer up lads don't forget your bags
Cos we're going for a jolly cup of tea

You can drink away your cares
When you see the sergeant tell him i'll be there
March along looking proud and strong
Cos we're going for a jolly cup of tea

You can drink away your cares
When you see the sergeant tell him i'll be there
March along looking proud and strong
Cos we're going for a jolly cup of tea
