IÂ'm on my own babe Â- looking around Im searching for this feel that canÂ't be beat CanÂ't get enough and I canÂ't stand still This thing got me so down Im on my knees Slave to the grind Â- canÂ't make no deals This ainÂ't the kind of thing that you can roll with

ItÂ's the big fix Â- itÂ's the big fix Â- getting you down

I canÂ't see Â- cannot think But I can feel the heat burning in me Would give it all Â- trade it all If I could only be for a day just free But I made amends A-let go and let God My weight is gone away and Love is my Shepard instead

ItÂ's the big fix Â- itÂ's the big fix Â- getting you down
