Watch them A-Town boys, they play the game dirty  
Matter fact floss in the A-Town witcha jewelry  
Will getcha laid down in the A-Town, shorty you heard  
me

[Verse 1 - Lil' Fate]

You can find me in a Polo shirt, Polo pants, Polo boots  
Looking cute, in my Polo suit  
That was back then in '95 [Yeah]  
In West Lake, pep rally, reping Banker High [Yeah]  
Them boys ain't like it, but they had to play it cool  
shorty  
I'm wit them hersey roll boys, they was acting fool  
shorty  
You know, Cam, Chip, Zae, bought these seagulls wit  
me  
Quincy, Langston, Ron, and Shondre was wit me  
Please believe College Park, back jumping mayne  
Sunday nights, Frozen Paradise, off the chain  
Youngstas flossing old school, wit the candy paint  
Sitting on chrome feet, old enough to drank  
Look homes, this my state, my city, my home boy  
So I'ma rep the Park hard, for my homeboys  
Gotty Road, Riverdale, Hillendale, boys  
That jump out the day shorty, get to take yours

[Chorus x2 - Chimere + Lil' Fate]

A-Town hats, and A-Town jerseys  
Watch them A-Town boys, they play the game dirty  
Matter fact floss in the A-Town witcha jewelry  
Will getcha laid down in the A-Town, shorty you heard  
me

[Verse 2 - Tity Boi]

Uh, uh, me and the A-Town model niggas, stick to the  
script  
You see me riding on flash, when I'm parking the whip  
Before I enter the club, and endangered species  
Looking sharper than a mugg, and them heavy creases

Bitch jumped out, 'Lac wit the bump  
And before they could say, that it was very crunk  
Get gon' and get the gat on, out of the trunk  
And I walked around wit the hat on, like I was drunk  
Yeah, and I play on left field  
Like, I swing so much iron, they call me Gary Sheffield  
And I'ma brave as player, and I'm dead real  
I got them O's for them low, what you got ain't deal  
Like taking pennies out ya stow, you can take the "Boi"  
off the "Tity"  
But can't take the "Tity" off the "Boi"  
And I got so many A's, that people thought I was  
cheating  
Nah, got so many Z's, that people thought I was  
sleeping, and them

[Chorus x2 - Chimere + Lil' Fate]

A-Town hats, and A-Town jerseys  
Watch them A-Town boys, they play the game dirty  
Matter fact floss in the A-Town witcha jewelry  
Will getcha laid down in the A-Town, shorty you heard  
me

[Verse 3 - Infamous 2-0]

Yeah, yeah, yeah, yeah, It go Eastside, flat South,  
Glenwood, here we go  
They call me D-Lo, Mr. Bronx, and bitch I 2-0  
I'm down in Jazzy T's, I spend 1000 g's  
I like them hoes that dance for me, then they leave wit  
me  
Ooh so strong, hoes love the country accent  
Hit it a hour and a half, then she won't me back and  
Bitch squeeze, if it's beef, I'm bucking feels  
A.K.A., R. Kelly, 'cause I'm fucking with kids  
You know [???], slouch socks, Air Ones and braids  
Throwbacks, Akademiks, and a wave cap  
Old school Caddy, riding on grown men  
That's how we live, you don't never leave the crib  
before ten  
Uh, there's just something bout us, our system beat the  
loudest  
Now we deep in the game, you can never out us  
Think you know a nigga greater, then bet, put money  
on it  
Please believe it in Decatur, if it ain't got 20's on it

[Chorus x2 - Chimere + Lil' Fate]

A-Town hats, and A-Town jerseys  
Watch them A-Town boys, they play the game dirty  
Matter fact floss in the A-Town witcha jewelry  
Will getcha laid down in the A-Town, shorty you heard

[Outro - Lil' Fate]

Shorty ya heard me, shorty ya heard me

Watch them boys in them A-Town hats, they play the
