She's not a bad girl because she made me see
Hmmm... how love could be
But she's a bad girl because she wants to free
Hmmm... she wants to be free

She's not a bad girl to look at, finer than fine
Hmmm... since she was mine, mine, mine
But she's a bad girl because it was only a line

I-I-I bragged to the boys about the girl I had
It broke me up to find out she was bad
And my only wish is that I wish I could
Make a bad, bad girl be good

She wasn't a bad girl, girl at first, so good at the start
Hmm but now, now we must part
Oh yes, she's a bad girl because she's breaking my
heart
Oooh my, she's breaking my heart

So, so, so bad she's breaking my heart
