One cup of rain

Won't come off again

It'll still get played

I bet'cha

One small mistake

Can't be all it takes

To make you run away

I won't let'cha

Don't let it end

'Til you let it begin

Love wasn't meant to go out comin' in

Don't let it end

'Til you let it begin

Hold on

Just before the come

Then the price goes up

Forever

Ahhh, just before love

The going may get tough

But don't you give it up

You

Oh, don't let it end

'Til you let it begin

Love wasn't meant to go out comin' in

Don't let it end

'Til you let it begin

Oh, no-oo

Hey baby

(Don't give up)

Don't give up

(Don't give up on love)

Not now girl

It's just getting good

[CHORUS 3x]

[FADE]
