One cup of rain  
Won't come off again  
It'll still get played  
I bet'cha

One small mistake  
Can't be all it takes  
To make you run away  
I won't let'cha

Don't let it end  
'Til you let it begin  
Love wasn't meant to go out comin' in  
Don't let it end  
'Til you let it begin

Hold on  
Just before the come  
Then the price goes up  
Forever

Ahhh, just before love  
The going may get tough  
But don't you give it up  
You

Oh, don't let it end  
'Til you let it begin  
Love wasn't meant to go out comin' in  
Don't let it end  
'Til you let it begin  
Oh, no-oo

Hey baby  
(Don't give up)  
Don't give up  
(Don't give up on love)  
Not now girl  
It's just getting good

[CHORUS 3x]

[FADE]
