Come on everybody were gonna have a party right
now!
I'm tired of sittin around here feelin blue

Gather round you swingers and friends
Help me forget my hurt within
About the only girl I ever loved
The only one I'm thinkin of and

I've gotta dance to keep from crying
I've gotta dance to keep from crying oh-oh-ah
Do the monkey like this

Come on and dance for me swingers it's arted
My memories leave me so broken hearted

I gotta dance to keep from crying ang and bop bop bop
bop

Do the dance can't you hear oh yeah
Everybody dance don't sit still!
Ya gotta

Dance for me swingers e
Misery has surely found me
I've got to dance to keep from crying
I've got to dance to keep from crying

Whoa-oh-oh gather round me girls and boys
I think well make it up do alright
So get soft, o-ah, just a little bit soft

Just a little bit soft, soft, soft
Just a little bit softer softer softer ooo
Just a little bit higher
Ooo just a little bit softer
Just a little bit higher
