Mama Wolframa makes it HOT, makes it PUNK, makes it DRUNK.

Everybody shut up and listen, Ima in da condition, I
hava one confession, aboutta somethin special. And
bitchez don't be jealous, cuz I'm gonna call ma fellas,
ma girls, ma girls, ma hellerinas army.

Don't be mad at me cuz I'm not a sinner, if I'm going to
the club, and u going to the cinema,

Girl doesn't matter if ma hair is green, I'm still here,
Ima beauty queen,

I'm not like those bitchez in the laces, with the tanned
powder faces,

Those says that I am a monster and they r the princess,
I am a bad thing and they remind this. Everybody stop
and stare, everybody lookin at the starred underwear,
those redlight district girls wanna have it too but only I
have a flashlight to be reviewed, I don't give a damn, I
don't ask why I don't listen to god damn lies, but u
barbies still talking shit, talk shit - get hit, and it's not
from ma hand it's coming from ma words, and you
know it's so mutch worse, I'm gonna show ya the real
life, and cut the silence with the sharpest knife.

Hella hellerina mama,

Ima hellerina mama,

Ima hellerina drama queen of balerina's troubles.

Hellerina mama,

Ima hellerina mama,

Ima hellerina drama queen of ballerina's troubles.

So who the hell she think she is? Who'll gonna ask her:
that or this?

Today she lookin like a rag baby - eweryone seen her
but no one say maybe.

She jus't a rack of bones, look at her from head to toes,
look at me - I'm the reverse, and of course I'm so
mutch worse, I'm just like a mirror image look at me
and look on that bitch, Ima best chik hellerina tellin
eweryone Oh c ya, pretty legs and those green eyes,
tellin eweryone goodbyes.

She's sitting on the table, and she's feeling so alone,
She's tryna call her boyfriend, but he don't pick up the
phone, she's feeling so upsad because he's only meet
her in her bed, because it's only thing why did he
decide to stay. And if she'll ask me for the help, it's time
to know that I'm apart, cuz one of the Hellerina's start is
going to the party hard, so baby don't be so upsad,
your boy will meet ya in your bed, and Ima gonna shout
out loud: Ima hellerina.

Hella hellerina mama,
Ima hellerina mama,
Ima hellerina drama queen of balerina's troubles.
Hellerina mama,
Ima hellerina mama,
Ima hellerina drama queen of ballerina's troubles
