[INTRO]

in case of i dont make it

{street war}

and to my unborn child
i wanna let ya know
that your daddy was a zodiac

keep ya head up

[Chorus]

it's a nightmare my heart scream closet eyez
aint nobody care a murder screen stil i rize
im cryin so many tears
you was dyin tell me where we go from here

[Verse 1]

its a hard time i cant understand
gotta find my mind but i cant
its hard to belive in god tell me why
god i need a reasson why should he die

so much pain he was a good man
did you think that i understook that
it's so hard my body is trapped
please god let him come back

this death became a really hard pain
pray to the ghetto saint
remember that the son
become
fatherless
no pain can compare to this

[Chorus]

it's a nightmare my heart scream closet eyez
aint nobody care a murder screen stil i rize
im cryin so many tears
you was dyin tell me where we go from here

it's a nightmare my heart scream closet eyez
aint nobody care a murder screen stil i rize
im cryin so many tears
you was dyin tell me where we go from here

[Verse 2]

why survive in this cold street
everbody try to find there own peace
im lookin for the last memories
i wont belive that the destiny

should become so fast god show me a sign
this minut could be the last of my time
i try to live it good but it's hard to knowing that
brothers dyin in the hood but still you going back

it wont change couse nobody give a damn
living in shame so you gotta stand
even know they press you stress you
test you so i gotta say god bless you

i'd rather die like a man than living in shame
mama keep ya head up even when it rain
couse even when it's hard you gotta stand up
if you belive in god you know it cant stop

[CHORUS]

it's a nightmare my heart scream closet eyez
aint nobody care a murder screen stil i rize
im cryin so many tears
you was dyin tell me where we go from here

it's a nightmare my heart scream closet eyez
aint nobody care a murder screen stil i rize
im cryin so many tears
you was dyin tell me where we go from here

it's a nightmare my heart scream closet eyez
aint nobody care a murder screen stil i rize
im cryin so many tears
you was dyin tell me where we go from here

it's a nightmare my heart scream closet eyez
aint nobody care a murder screen stil i rize
im cryin so many tears
you was dyin tell me where we go from here

[OUTRO]

mi venire indietro, piacere Ãn spirito?
