Why you try to change me
A lil n**ga kill and now they blame me
Main I was born crazy

Couz I'm still thuggin
Comming from the ghetto got nothin
Don't you love it

Shadow meen skandalouz
Nobody can handle us
And b**ch I'm the boss

Take you b**ch n**ga's outta bounce
Shadow n**ga's are you ready to clown
This is how it sound
In the shadow town

We souljahz never get lonley
Watch your homie's
Remember what you told me

Keep your enemies close
I never trust this h*e's
I guess that is how it goes

When you try to take my money aight
Lets get drunk and have a funny night
All this wholy s*it gettin tight
You gotta have the hearth to fight

For whatcha belive in
Tell me if ya need a reasson

Why you try to change my way
Real nigga's gotta stay
Take you b**ch n**ga's outta bounce

Why you try to change my way
Real nigga's gotta stay
Take you b**ch n**ga's outta bounce

Why you try to change my way

Real nigga's gotta stay
Take you b**ch n**ga's outta bounce

Why you try to change my way
Real nigga's gotta stay
[Gotta stay gotta stay]

Why you try to hold me down
In my hometown
Just becuse I controll the underground

We all got shame
To play the game
Is it insane
The way I play the game

The way I play my self
I was born in hell
Straight back in jail
Chillin with my n**ga's in my own cell

Sellin my stach
Quess who's back
On the track
I miss that
I never had

B**ch don't smile b**ch don't laught
Ya all know Rosa gettin cash
When shadow blass
We n**ga's there livin highclass
So b**ch don't ask
How it is to be the last
I allreaddy told you that

I can't answer
Shadow hurts like canser
Couz we real mother f**kin gangsta's
We real mother f**kin gangsta's

Why you try to change my way
Real nigga's gotta stay
Take you b**ch n**ga's outta bounce

Why you try to change my way
Real nigga's gotta stay
Take you b**ch n**ga's outta bounce

Why you try to change my way
Real nigga's gotta stay
Take you b**ch n**ga's outta bounce

Why you try to change my way
Real nigga's gotta stay
[Gotta stay gotta stay]

N**ga's holler in the street
Cocain is our industry
I say f**k the commenety

So long we all smoke
I never be broke
The shadow's road

Takin back what's mine
Noc stress on ma mind
Can't you read the sign

It is amazing
The f**kin hustler's ambitionz
No more motivation
No more pashion
No more discrimination
No motha f**kin more waitin

To growin up
I gotta throw it up
Blowin drug's
Still I comming up

And still I aint give a f**k
Gommin with ma glock
You gettin shot

N**ga what the f**k
I don't give a f**k
I never motha f**kin stop

High till I die
Make a drive by
B**ch a*s n**ga's will cry
There soul will fly
Up to the sky
So b**ch don't ask why
I gettin f**kin high
To the mother f**kin day I die

Why you try to change my way
Real nigga's gotta stay
Take you b**ch n**ga's outta bounce

Why you try to change my way

Real nigga's gotta stay
Take you b**ch n**ga's outta bounce

Why you try to change my way
Real nigga's gotta stay
Take you b**ch n**ga's outta bounce

Why you try to change my way
Real nigga's gotta stay
[Gotta stay gotta stay]
