It's the first time that I'm worried
Cause I've never felt this way
Gotta take care of what is mine
Before time let us go

This is what they are
The only thing I got
I can't wait for tomorrow
cause time might be running late

So Would You
Say goodbye
Would You
Think it twice

This is what I've chosen
But only god knows I'm doing well
Gotta take care of what is mine
Cause tomorrow could be the end

You're always in my heart
The only thing I've got
I can't wait for tomorrow
Cause time might be running late
So Would you
Say good bye
Would you
Think it twice

This peak may seem so high
But I won't give up the fight
(And so won't you)

Although I have lost my mind
I'll keep on trying

So Would You
Say goodbye
Would You
Think it twice (please)
Would You
Say goodbye say good say goodbye

Would You
Think it twice
