Emergency

KASEY

I see the rain fall on the river running to the seas again.
I see the clouds are rolling over in the sky,
While I'm waiting for the wind to kindly pick me up and
carry me home, carry me home.

I see the summer turn to winter,
and the winter turn to spring
I see the autumn leaves are falling down again
And I wonder if you taken time to look around and see
the light?
Well I'm counting stars tonight.

ALL

Oh baby I believe, I believe,
you're coming back for me, back for me
Love in emergency, rescue me.
Oh baby I believe, I believe,
Love in emergency.

KASEY (Possibly Corrina..ok now I'm thinking Sharon
can anyone help lol?)
Theres a siren thats calling out your name.
And I can see your face reflected in the flame.
And I get a funny feeling that the storm is coming down
again,
to bring you round again.

JODI

Don't take your time - hurry up!
I need this waiting to stop.
Looking for a signal,
Waiting for a sign.
I see the light, I see the light.

ALL

Oh baby I believe, I believe,
you're coming back for me, back for me
Love in emergency, rescue me.
Oh baby I believe, I believe,
Oh baby I believe, I believe,
you're coming back for me, back for me
Love in emergency, rescue me.
Oh baby I believe, I believe,

Love in emergency.
Love in emergency.
Love in emergency.
Love in emergency.

SHARON

Love in emergency.
You're coming back for me.
Love in emergency.
Oh baby I believe, I believe.

ALL

Oh baby I believe, I believe,
you're coming back for me, back for me
Love in emergency, rescue me.
Oh baby I believe, I believe,

SHARON

You're coming back for me.
