Just about in time
Someone catch my breathe, I'm falling
Out of every sky
Into you're embrace in silence
Lying in your arms
Feel the world is all around me
Run just like a shiver through me
Running like a river in me, in me

All
I don't wanna go, wanna go
I don't wanna go
I don't wanna leave, wanna leave
Don't you ever leave
I just wanna stay, wanna stay
Let me lie in your arms tonight

Jodi
Roses won't help me sleep at night
Won't keep me warm when you're not by my side
Red wine and sympathy
Will never comfort me
Save your apology,
If this is history

Leigh & Corrina Lead
And theres something in my head, something in my
head
Tells me everything we said, everything we said
Then we never run away, never run away
Save me, oh catch my breath I'm falling

All
I don't wanna go, wanna go
I don't wanna go
I don't wanna leave, wanna leave
Don't you ever leave
I just wanna stay, wanna stay
Let me lie in your arms tonight
I don't wanna go, wanna go
I don't wanna go

I don't wanna leave, wanna leave
Don't you ever leave
I just wanna stay, wanna stay
Let me lie in your arms tonight

Sharon
In you're arms
In you're arms

Just about in time
Someone catch my breath I'm falling
Out of every sky
Into you're embrace in silence

All
Lying in your arms
Lying in your arms
Lying in your arms

I don't wanna go, wanna go
I don't wanna go
I don't wanna leave, wanna leave
Don't you ever leave
I just wanna stay, wanna stay
Let me lie in your arms tonight (in your arms)
I don't wanna go, wanna go
I don't wanna go
I don't wanna leave, wanna leave
Don't you ever leave (In your arms)
I just wanna stay, wanna stay
Let me lie in your arms tonight

In you're arms
