Leigh

I could reach out and touch your face
I'm talking to you but your light years away

Kasey

And I keep on telling myself I'm stupid
Keep on giving you more excuses
Even though you're right here

All

Is it just me?
Is it just me?

Corrina

When I'm sleeping alone when we're side by side?
Say nothings wrong but i know its not right .
Is it just me?

Kasey

Is it just me?

Sharon

When you hold me kiss me it's not the same
Feels like you love me just something you say

Jodi

And I keep on telling myself I'm stupid
Keep on giving you more excuses
Why I can't get through
Why I can't feel you

Even though you're right here

All

Is it just me?
Is it just me?

Corrina

Am I sleeping alone when we're side by side?
I think nothing's wrong but I know it's not right.
Is it just me?

Kasey
Is it just me?

Sharon
If Im gonna be lonely
I wanna be lonely with you
If Im gonna be lonely
I wanna be lonely with you

Leigh
Is it just me?
If it's just me?

Jodi
I've been sleeping alone when you're side by side
I think nothings wrong I dont want to be right
If its just me?
If it just me?

Kasey

Is it just me?
Is it just me?
Is it just me?
