(Kasey)

No I don't wanna get it right
I don't wanna think about the way I feel tomorrow
tonight
Words only complicate my head
if you really wanna use your mouth why don't you kiss
me instead?

(Jodi)

Let's make it easy
Just make it easy

(All - Lead Sharon)

If you're gonna write a love song
I don't wanna hear one
Save it for someone who likes it like that
And if you are looking for the girlfriend
You can start your search when
You're watching me walk away
I won't come back
I wanna hear you say my name
But not over and over and over and over again

(Corrina)

Time I don't wanna waste your time
I'm just stating all the facts tryna keep you on my one
track mind.

(Sharon)

Lets make it easy
Come on I wanna release me

(All - Lead Sharon)

Cause If you're gonna write a love song
I don't wanna hear one
Save it for someone who likes it like that
And if you are looking for the girlfriend
You can start your search when
You're watching me walk away
I won't come back
I wanna hear you say my name

But not over and over and over and over again

Don't write me a love song
Don't write me a love song

(Kasey)
You wouldn't be the first to think it's gonna last

(Jodi/Sharon/Leigh/Corrina)
(Don't fall to deep)

(Kasey)
'Cause it's a long way back

(All - Lead Sharon)
If you're gonna write a love song
I don't wanna hear one
Save it for someone who likes it like that
And if you are looking for the girlfriend
You can start your search when
You're watching me walk away
I won't come back

If you're gonna write a love song
I don't wanna hear one
Save it for someone who likes it like that
And if you are looking for the girlfriend
You can start your search when
You're watching me walk away
I won't come back
I wanna hear you say my name
But not over and over and over and over and
over again

Don't write me a love song
Don't write me a loved song
