When I had you, I could laugh until I cried
Throw my hands up on a roller coaster ride
When I had you, oh, you could make me mad as hell
And drive me crazy
Ain't that what love's about

But we always made it right
Yes and I was so alive

Nothing moves me anymore
I'm as cold as a stone
I was flesh and blood before
Now I'm only skin and bone
There are no signs of life
I've never felt this empty before
(Yea, I-yea, I-yea, I-yea, I-yea)
Nothing moves me anymore

(Nothing, No, Nothing, No, Moves Me..)

I go to work
I put in my time
If someone asks me
I just say I'm doing fine
When I get home
I pour a glass of red
I turn the lights down
I lay back on my bed
And I let my records play

I close my eyes and wait

Nothing moves me anymore
I'm as cold as a stone
I was flesh and blood before
Now I'm only skin and bone
There's no signs of life
I've never felt this empty before
(Yea, I-yea, I-yea, I-yea, I-yea)
Nothing moves me anymore

Ooohh..

Nothing moves me anymore
Ohhh nooo..

Nothing me anymore
I'm as cold as a stone
And the world at my door
Telling me to just move on
There are no signs of life
I've never felt this empty before
Nothing moves me anymore

Ohh nothing moves me
Cause nothing moves me anymore

I go to work put in my time
If someones asks me
I say I'm doing fine
