Rubolotta

Fantasy has come to be  
The guide inside of me  
In this little room time disappears  
Decision faces fear

If you look at me  
What do you see  
Illusions come so real  
I don't want to lose my way

Somewhere in my eyes  
Looking into the mirror of desire  
Somewhere in my eyes  
Looking into the mirror of desire

Mystery inside of me  
I wanna wait and and see  
In my memory regrets to kill  
Images go with speed

If you look at me

What do you see  
This burning inside is so real  
I don't want to lose my way

Living my time  
Trying to leave the past behind  
Looking for some place of mind  
I will turn to be so blind

Somewhere in my eyes  
Looking into the mirror of desire  
Somewhere in my eyes  
Looking into the mirror of desire

Solo guitar

Somewhere in my eyes  
Looking into the mirror of desire

Somewhere in my eyes  
Looking into the mirror of desire
