(n. walusko)

Eye can see the things to be

Here, a sound, a window far

And now you'll

Feel...

You (and me), me (and you), and we (of the universe)

Feel...

You (can see), I (can see), it (can be worse)

Feel...

It's (a dream) so (it seems) easy (like it's real)

And it's all like a spoke of a wheel whirled

Be the things that I can see

Hear a sound, a wind, oh far...

And now you'll

Feel...

You (and me), me (and you), and we (of the universe)

Feel...

You (can see), I (can see), it (can be worse)

Feel...

It's (a dream) so (it seems) easy (like it's real)

And it's all like a spoke of a wheel whirled

Feel...

You (and me), me (and you), and we (of the universe)

Feel...

You (can see), I (can see), it (can be worse)

Feel...

It's (a dream) so (it seems) easy (like it's real)

And it's all like a spoke of a wheel whirled
