F. Rubulotta

Swallow in the sky  
See the reflection  
I can plan the way to fly  
To my destination  
While I'm fondled by the sun  
With no reaction  
Wait for summer in my cell  
I learn my direction

Time... I wait my time  
Time... It will be mine

Summer waiting  
I can leave my cold December  
Summer waiting  
For the last time to remember  
Summer waiting  
I can leave my cold December  
Summer waiting  
I can welcome summer in my heart

A bird is flying high  
Beyond the correction  
And I'm spending all the night  
Foreseeing any action  
And the wind is blowing free

It's not my imagination  
Now I try to search and see  
The real situation

Time... I wait my time  
Time... It will be mine

Summer waiting  
I can leave my cold December  
Summer waiting  
For the last time to remember  
Summer waiting  
I can leave my cold December

Summer waiting  
I can welcome summer in my heart

Solo: Vic

Summer waiting  
I can leave my cold December  
Summer waiting  
For the last time to remember  
Summer waiting  
I can leave my cold December  
Summer waiting  
I can welcome summer in my heart
